INTRODUCTION

Dear Valued Customer,

This manual is intended to give you an introduction to Pollard Enterprises Ltd.

My name is James Carreiro and I am the Re-Roofing Manager for Pollard Enterprises Ltd. We are an Industrial and Commercial Flat Roofing company that employs close to 100 people on a year round basis.

Pollard has been in continuous operation since 1963 and have worked on over 5000 buildings across the Province of Ontario. Our head office is located in Burlington, Ontario and serves as our base of operations for both our roofing division and our metal shop as well.

Our services include New Roofing Installations, Re-Roofing of Existing Buildings, Roof Restorations, Environmentally friendly “Green” Roofing and Reflective Roofing Systems to help reduce your company’s carbon footprint.

We also have a 24 hour emergency repair crews available in case a situation arises that may need immediate attention.

I look forward to working with you on upcoming projects.

Regards,

James Carreiro
