New Business Introduction Document

Dear valued customer, this page is intended to give you an introduction to Pollard Enterprises Ltd. Pollard is a large union roofing contractor out of Burlington that has been in business for over 55 years. Pollard has close to 100 employees, **our services include... New Roofing Installations, Re-Roofing of Existing Buildings, Roof Restorations, environmentally friendly "Green" Roofing and Reflective Roofing Systems** all which help reduce your company's carbon footprint. Our site foremen have an average experience level of 18 years per person. As you can see, we have very experienced crews who have worked for Pollard for most of their working careers. Also available we have a 24-hour emergency repair crews in case a situation arises that may need immediate attention.

Today's economic trends have changed forcing many companies and individuals to downsize or reorganise their assets order to meet their bottom-line goals. We provide flexible end to end solutions that assist companies and individuals to meet their objectives by giving the best possible service at an affordable rate to realize the highest net dollar return on their assets. Since Pollard has been in continuous operation since 1963, it won't surprise you that Pollard has worked on over 5000 buildings across the Province of Ontario. Pollard's workmanship is second to none.

If you are unfamiliar with C.O.R. certification, it is a new program out that is similar to a Manufacturing Company being ISO 9001 Certified. Municipalities are adopting this new standard that roofing companies who bid public work will need to be C.O.R. Certified. It is a very intense program with safety at the forefront. **Pollard is one of only seven roofing companies in Ontario with C.O.R. Certification.**

Please contact us to discuss possible opportunities.

Thanks in advance.
